UNITED STATES DEPARTMENT OF AGRICULTURE
AGRICULTURAL ADJUSTMENT ADMINISTRATION

To Delegates and Visitors National Range Conference Tour:

GREETINGS:

We are delighted to have you accompany us on this range tour, and we certainly hope that the time spent will be both pleasant and profitable. You will find enclosed the following items for your convenience and information:

1. Badge. Please wear this badge throughout the tour.
2. A travelog of the trip. Refer to this travelog for stops and points of interest along the route and keep tuned to the loud speaker for additional information.
3. A list of people on the tour.

We are taking the liberty of making a few suggestions which will assist us in traveling on schedule.

1. Service your car each night.
2. Pay your hotel bill at night to avoid confusion and delay.
3. Arise each morning in sufficient time to be ready to start on the tour at the hour designated -- this will be 7 o'clock unless otherwise stated.
4. Arrangements have been made for a truck to transport the baggage from one over-night stop to the next. Tags are available to label luggage. Deposit the luggage in the hotel lobby where you stay and it will be picked up by a reliable person and taken to the next over-night stop.
5. A truck will be on the tour to repair flats and supply gas, oil and water if necessary.
6. Scharbauer Hotel is headquarters in Midland. At 6 P.M., June 24, a barbecue will be served by the City of Midland at Cloverdale Park. A program has been planned at this time and additional information will be given concerning the forthcoming tour.
7. Cactus Hotel is headquarters in San Angelo. We arrive San Angelo about 6 P.M., Thursday, June 27. A banquet has been arranged in the ballroom of the Cactus Hotel and at this time a program will also be given including talks by various persons on the tour. Friday, June 28, the conference proper begins and the meeting will be turned over to representatives of the various regions concerned.

Very truly yours,
COMMITTEE IN CHARGE OF ARRANGEMENTS
